**1 GRAM NET IMPACT CARBS PER SERVING

**For "Carb Conscious" dieters: Net Impact Carbs include only those carbohydrates that cause a noted impact on blood sugar. Fiber, Sugar Alcohols (glycerin, lactitol and maltitol) and other carbohydrates are excluded.

Suggested Serving: One or two bars per day.

This delicious-tasting snack bar is scientifically developed to provide optimum nutritional support as part of a diet that is high in protein and low in carbohydrates. Each bar is loaded with vital nutrients essential for good health. It's powered by 12 grams of hunger satisfying protein so you stay energized while reducing body fat.

**1 gram represents carbohydrates which have an insulin stimulating response. Other carbohydrates in the bar are derived from sugar alcohols, which are metabolized to fatty acids in the intestine, and fiber, neither of which stimulates a significant insulin response.

For best results, enjoy a Thermojetics® HPLC Weight-Management Protein Bar in conjunction with Herbalife's complete diet program, which is high in protein and low in carbohydrates.

Store in a cool and dry place.

Herbalife products are available only through Herbalife Independent Distributors.

Manufactured in a facility that processes peanuts, various nuts and seeds.

30-day money-back guarantee.
