

THERMOJETICS® FORMULA 1

Directions: Simply blend or stir 3 tablespoons (27 grams) of Thermojetics® Formula 1 with 8 fl. oz. of nonfat milk, juice or your favorite beverage.

For Optimum Nutritional Health: It is recommended to replace one meal daily with a delicious Thermojetics® Formula 1 shake.

To Lose Weight: It is recommended to replace two meals per day with a delicious Thermojetics® Formula 1 shake and eat one well balanced meal. (Follow the guidelines in the Herbalife Thermojetics® Weight Management Program Guide.)

For Maximum Results: Use this product in conjunction with other Herbalife products.

Soy Protein Isolate

A new addition to the Thermojetics® Tropical Fruit Formula 1 is Soy Protein Isolate. This vegetable protein is a source of isoflavones, genistein and daidzein. Isolated soy protein helps to maintain cholesterol levels that are already within the normal range.

SEE RIGHT PANEL FOR NUTRITION INFORMATION

Exclusive Protein Rich Formulation

Our protein drink mix is specially formulated for optimum nutritional health. It is free of meat, gluten, wheat, yeast, milk lactalbumin and whey. It provides 3.6 grams of essential dietary amino acids which the body cannot produce on its own. In addition, it contains carbohydrates for quick energy, 20 vitamins and minerals, including the antioxidant vitamins A, C and E, herbs, and less than 1 gram of fat per serving. It is also a good source of dietary fiber and incorporates patented enzyme technology.

† Patented Aminogen® contains specially selected protein enzymes which act to improve assimilation of dietary proteins.

† Aminogen® is a registered trademark of Body Mechanics.

Notice: It is advisable when using this product or any other weight control program to consult a physician especially for children, pregnant or lactating women, people with chronic kidney problems or insulin-dependent diabetics.

Herbalife products are available only through Herbalife Independent Distributors.

30-day money-back guarantee.
