

THERMOJETICS® FORMULA 1

Directions: Simply blend or stir 2 tablespoons (25 grams) of Thermojetics® Formula 1 Strictly Kosher with 8 fl. oz. of nonfat milk, juice or your favorite beverage.

For Optimum Nutritional Health: It is recommended to replace one meal daily with a delicious Thermojetics® Formula 1 Strictly Kosher shake.

To Lose Weight: It is recommended to replace two meals per day with a delicious Thermojetics® Formula 1 Strictly Kosher shake and eat one well balanced meal. (Follow the guidelines in the Herbalife Thermojetics® Weight Management Program Guide for Thermojetics® Formula 1 Strictly Kosher.)

For Maximum Results: Use this product in conjunction with other Herbalife products.

Soy Protein Isolate

The primary ingredient in the new Thermojetics® Formula 1 is Soy Protein Isolate. This vegetable protein is a source of isoflavones, genistein and daidzein. Isolated soy protein helps to maintain cholesterol levels that are already within the normal range.

*Diets low in saturated fat and cholesterol that include 25 grams of soy protein a day may reduce the risk of heart disease. One serving of Thermojetics® Formula 1 Strictly Kosher provides 9 grams of soy protein.
